

Please mail or email two or more photographs. When choosing photographs, clarity and lighting are essential. If mailing your photographs, they will be returned to you when your portrait is complete. Once your photographs and order form are received, you will receive a verification email or phone call. Portraits take four to six weeks to complete. Payment can be made with a check, money order or cash when you receive your finished painting.

Please don't hesitate to write to me with any questions.
